

MBM Model 306A Friction Folder

The 306A Programmable folder automatically sets up to 18 custom folds stored in memory.

A built-in micro-computer eliminates tedious adjustments and counting.

306A Features

- Stores up to 18 custom folds.
- Pre-programmed with 6 popular folds.
- Automatically senses and displays paper size loaded.
- Stops automatically when preset count is reached or entire paper stack is folded.
- Load and unload paper from same side of machine.
- Single sheet feeding is maintained automatically for different weights of paper.
- Dependable 3-roller friction feed provides precise folds.
- Test button folds 2 sheets for inspection.
- Audible signal and digital display alert in case of incorrect operation.
- Fold table removes easily for compact storage.
- Vinyl dust cover included.
